

# GENERAL CONDITIONS OF CONTRACT

Contractor agrees to the following general conditions:

## 1. SCOPE AND APPLICABILITY

These General Conditions of Contract apply to the procurement of all goods and services to the Lindii Peace Foundation ("LPF") from Contractor. LPF and Contractor shall each be referred to as a "Party" or jointly as "Parties" hereunder. These General Conditions of Contract form an integral part of the Contract between LPF and Contractor and may be supplemented by terms and conditions in a purchase order or a separate agreement or contract ("Contract") issued to the Contractor. No other terms and conditions shall be deemed accepted by LPF unless and until LPF expressly confirms its acceptance in writing.

## 2. LEGAL STATUS OF THE PARTIES

Contractor shall be considered as having the legal status of an independent contractor in relation to LPF. Contractor's named personnel, staff, and any sub-contractors shall not be considered in any respect as being employees or agents of LPF and shall have no right to receive any employee benefits provided by LPF to its employees. Contractor shall not be considered a partner of LPF and shall not hold itself out as such.

## 3. CONTRACTOR'S DUTY OF CARE

Contractor acknowledges and shall take all reasonable steps to ensure the health, safety, and security of Contractor's staff and employees. This duty of care is the sole responsibility of Contractor and Contractor agrees to indemnify LPF from any action arising from any breach of this duty of care.

## 4. CONTRACTOR'S RESPONSIBILITY FOR EMPLOYEES

The Contractor shall be responsible for the professional and technical competence of its employees and will select, for work under the Contract, reliable individuals who will perform effectively in the implementation of the Contract, respect the local customs, and conform to the highest standard of moral and ethical conduct. Contractor acknowledges that all work within the scope of the Contract shall be performed with all necessary skill, care, diligence, efficiency and economy to satisfy generally accepted professional standards.

## 5. ASSIGNMENT

Contractor shall not assign, transfer, pledge, or make other disposition of the Contract or any part of it, or any of Contractor's rights, claims or obligations under the Contract except with the prior written consent of LPF. Nothing in the Contract or these General Conditions shall prevent the assignment by LPF of the Contract or any right, duty, or obligation hereunder to any third party.

## 6. SUB-CONTRACTING

6.1. In the event Contractor requires the services of subcontractors, Contractor shall obtain the prior written approval

of LPF for all sub-contractors, which shall not be unreasonably delayed.

6.2. The terms of any sub-contract shall be subject to and conform with the terms of the Contract. The approval or rejection by LPF of a sub-contractor shall not entitle Contractor to claim any delays in the performance of the Contract, nor relieve Contractor of any of its obligations under the Contract.

6.3. LPF may require Contractor to terminate a sub-contract where the acts or omissions of the relevant sub-contractor would have given rise to LPF's right of termination of the Contract pursuant to Clause 21 "Termination" or if there is a change of control of an agreed sub-contractor.

6.4. Despite Contractor's right to sub-contract pursuant to this Clause, Contractor shall remain responsible for all acts and omissions of any sub-contractors and the acts and omissions of those employed or engaged by the sub-contractors as if they were Contractor's own.

## 7. PURCHASE OF GOODS

7.1.1. If the Contract involves the purchase of goods by LPF, whether in whole or in part, and unless specifically stated otherwise in the Contract, the following conditions shall apply under the Contract:

7.1.2. Shipment and delivery: All goods shall be delivered DDP (Delivered Duty Paid) INCOTERMS 2010 to the agreed place of delivery by the delivery date as stated in the Contract unless otherwise agreed.

7.2. In the case of Subcontract agreements: If the Contract involves the purchase of goods or services, LPF procurement guidelines will apply to Contractor. Contractor may use its own respective procurement guidelines only if they are in accordance with the Contracting Authority's requirements and procedures. Contractor must share its internal procurement guidelines with LPF prior to any procurement. Contractor is solely responsible for the settlement and satisfaction of all contractual and administrative claims and obligations arising out of procurement transactions for the purpose of this Contract.

## 8. NON-PERFORMANCE OF CONTRACT

8.1. In the event Contractor fails to deliver all or part of the goods or services by the agreed delivery dates, LPF may, after giving Contractor reasonable notice to perform and without prejudice to any other rights or remedies, exercise one or more of the following rights:

8.1.1. procure all or part of the goods or services from other sources, in which event LPF may hold Contractor responsible for any additional costs beyond the balance of the Contract price resulting from any such procurement, including the costs of engaging in such procurement;

8.1.2. refuse to accept late delivery of all or part of such goods or services;

8.1.3. deduct from the payment or payments due to Contractor, a sum equivalent to 0.2% of the Purchase Order price per day up to a maximum deduction of 10% of the contract price (the "liquidated damages"); and/or

8.1.4. declare the Contract void or terminate the Contract for the part not delivered.

8.2. LPF shall not be liable for any cost incurred by Contractor in connection with the goods or services that have been procured and not delivered or any other remedy expenses incurred by Contractor.

8.3. LPF shall have the right to reject the goods or services or any part of them if they do not conform with the specifications of the Contract. In the event of a rejection and unless otherwise specified in the Contract:

8.3.1. to the extent the Contract relates to goods and it is not possible to restore the required functionality of the goods or parts thereof, Contractor shall, at the discretion of LPF either replace the defective or non-conforming goods or provide an alternative solution and reduce the Contract price accordingly or return the goods or parts thereof and reimburse any payments made by LPF under the Contract. The cost of repairing, replacing, or returning the goods shall be borne by Contractor. Payment for the goods under Clause 9 shall not be deemed an acceptance; or

8.3.2. to the extent the contract relates to services, Contractor shall take corrective action against the services provided at no cost to LPF. Any services corrected by Contractor shall be subject to this Clause to the same extent as work initially performed. If Contractor fails or refuses to take corrective action, LPF may, by contract or otherwise, correct or replace with similar services and charge to Contractor the cost occasioned to LPF, or make an equitable adjustment in the contract price.

## 9. PAYMENT

9.1. In consideration of all work and services provided by Contractor within scope of the Contract, Contractor will be paid the Fees in arrears in accordance with agreed time schedule, which shall specify whether such payment is on a time input (fee based) basis or a fixed fee (global price) basis or a combination of both. Clause 9.2 shall apply if Contractor provides any work or services on a time input basis. Clause 9.3 shall apply if Contractor provides any work or services on a fixed fee basis. The remainder of Clause 9 shall apply in either case.

9.4. LPF shall be entitled to deduct from any fees (and other sums) due to Contractor any monies that Contractor may owe to LPF at any time.

9.5. Where indicated in agreed time schedule, LPF may withhold such amount(s) from fee payments to Contractor pending final approval and payment for Contractor's work and services.

9.6. Contractor's invoices must be issued in the full legal name of Contractor. Invoices issued in any other name shall only be paid at LPF's sole discretion.

It is Contractor's responsibility to satisfy any relevant taxation (including VAT) or social security regulations applicable to Contractor and Contractor's employee's and Contractor's provision of work and services and Contractor warrants hereby that it has done and will continue to do so properly. If LPF is required by any applicable law (as determined in its discretion, acting in good faith) to make any deductions or withholding in respect of tax from payments to Contractor, Contractor hereby authorizes LPF to make such a deduction and pay such amount to the relevant tax authority.

9.9. Payments made pursuant to this Clause are subject to the satisfactory performance by Contractor and its employees of work and services under the Contract. Contractor agrees to repay LPF any charges, costs, claims or penalties incurred by LPF as a result of any material failure on the part of Contractor or its employees to perform the work and services under the Contract to a reasonable standard or any other material breach of the Contract. For the purpose of this Clause 9.9, Contractor shall be entitled to rely on any applicable limitation or exclusion on which LPF would be able to rely under the Contract.

9.10. Contractor's days and hours of work shall be fixed on the basis of local laws and customs and the requirements of the Contract. Travel days for mobilization and demobilization, as well as for any personal leave periods (for whatever reason) shall not be treated as payable working days, unless otherwise agreed in the Contract.

9.11. Prior to payment, Contractor shall present signed Waybills/Packing List showing delivery has been made or signed Certificate of Completion of Services, whichever is applicable.

9.12. The total contract price shall be the sole remuneration owed by LPF to Contractor under the Contract and shall not be subject to revision or variation.

## 10. COMPLETION OF CONTRACT

The Contract shall be considered complete when all terms and conditions have been complied with by the Parties and the Parties have discharged all reciprocal obligations. If the Contract is valid for a limited period of time, the expiration of the period of validity

in itself shall not relieve any Party of completing obligations still pending at the date of expiration.
