

VACANCY WITH LINDII PEACE FOUNDATION

LINDII PEACE FOUNDATION (LPF) is a nonprofit non-governmental national organization established in Nigeria in July 2014 with the aim to improve the lives of people through effective and efficient humanitarian and developmental assistance in communities where such supports are essentially necessary within Nigeria. Through international and national networking, LPF provided humanitarian and developmental assistance to individuals, families, schools, Health facilities, and communities in more than twelve (12) states within Nigeria regardless of their ethnicity, political and religious affiliation. LPF fundamentally intervenes in multi-sectoral humanitarian activities majoring in Protection and Nutrition mainstreamed Water Sanitation and Hygiene (WASH) interventions. Other activities include stand-alone Programmes on Nutrition, Protection, Food Security & Livelihood, Education, and Cross-Sectoral areas.

To sustain the Organizational reach (Programmatically and Operationally) the Organization is seeking applicants for the Job title below:

Evaluate data from baseline, endline, and any survey in collaboration with team members. Generate tools to monitor the progress of activities ongoing or completed., and draft a road map for follow-up actions based on lessons learned. Develops digital questionnaire for every survey, registration, and assessment to be carried out in camps and host communities makes analysis of data sets, and prepares reports of every survey or assessment carried out in the field to enhance the effectiveness of implementation and to monitor objectives. S/he shall also gather perceptions of the beneficiaries and community people on the project progress as well as provide feedback to beneficiaries from time to time including collation of Project Means of Verification (MOV). S/he shall also provide technical support to the field volunteers from time to time on community-based monitoring. S/he shall also support reporting project progress against indicators.

Job Description:

- This position reports to the Response Coordinator and is mainly responsible for providing technical support in all areas of monitoring, data collection, analysis, assessments, surveys, and learning activities.
- The MEAL and Innovation Advisor is a part of the MEAL/Program Quality Unit, supporting the implementation of the overall program MEAL system.
- The position holder will work closely with the MEAL team in conducting field monitoring, supporting capacity-building initiatives, and facilitating the collection of quality data for decision-making (both quantitative and qualitative).
- S/he will coordinate the refinement of Project feedback and accountability mechanisms, promote reflective review practices through learning sessions, track/collect participants' information, facilitate regular post-activity and distribution monitoring surveys, and coordinate, manage, and seldom collect human-interest stories.
- S/he will continually review the practicality and effectiveness of project approaches and suggest modifications as necessary to the MEAL system

Key Responsibility:

Objective 1: Coordinate Data Collection, Data Quality Management, Analysis and Reporting:

- Coordinate the design of programme monitoring and evaluation tools (registers, reporting templates, databases, etc.) to track WASH, Nutrition, FSL, GBV, Education and Child Protection

- In collaboration with MEAL Team, ensure timely data collection, compilation and reporting according to programme M&E plan
- Facilitate monthly data analysis and prepare monthly Programme Activity Tracking Sheet (PATS)
- Ensure the Programme database is updated regularly
- Support Programme feedback meetings with communities, facilities, and authorities
- Coordinate the implementation of DQA system including the conduct of data quality assessments according to the M&E plan
- Facilitate data management for rapid assessments, situational analysis, surveys, evaluations, and other research as required
- Plan, forecast, and facilitate the production and supply of M&E tools and materials to supported sites.

Objective 2: Support Programme Supervision, Monitoring and Evaluation:

- Monitor WASH, Nutrition, FSL, Education and Child Protection projects across all target communities and communicate findings and progress to Response Coordinator.
- Participate in the evaluation of Risk Analysis and MNSA, focusing on data management of evaluation datasets.
- Support the dissemination and use of evaluation and research reports and propose changes for improvement of LPF Programmes.

Objective 3: Support Documentation, Reporting, Knowledge Sharing and Effective Feedback Mechanism:

- Support coordination of WASH, Nutrition, FSL, Education, and Child Protection projects monthly, quarterly, biannual, and annual Support and reports as required.
- Participate in the dissemination of program information to communities, children, and other stakeholders through a regular feedback mechanism
- Support the management of the beneficiary complaints and feedback mechanism database
- Update shared drive and project team space with program monitoring documents regularly

Other Compliance Information:

- Eager and required to adhere to LPF's principles and values and promote gender justice and women's rights.
- Understanding of and commitment to adhere to equity, diversity, gender, child safety, and staff health and wellbeing principles.
- Ensure that the properties in the place of work are respected and that no damage is caused to them.
- Adhere to implementation standards, LPF ways of working, and the terms of the LPF Code of Conduct; including the commitment to **zero tolerance** on **SEA** and the obligation to report **SEA** cases.
- He / She must not use their position of being engaged in LPF work to gain favours or material advantage.
